Dear Community Leader,

The Asian American Student Coalition will be presenting its 4th Two-day Leadership Conference for Asian Pacifics. The 2008 LCAP will be scheduled for a weekend in the spring semester of 2008, and will be held on campus at the University of Arizona, Tucson. The event is student developed, organized, and implemented with support from outside organizations. It is hosted in collaboration with the Tucson Unified School District Pan Asian Studies Department, Pan Asian Community Alliance, and the UA Office of Asian Pacific American Student Affairs.

It is a special event on this campus in that it provides an opportunity to address specific issues that are not presented elsewhere in the community. It is also an occasion for the community to interact, providing an event for college students, faculty, and staff, high school students, and community professionals to network.

LCAP is open to all students from UA, ASU, and NAU, community colleges, and Arizona high schools. Community members and family are also welcome to attend. The goal is to accommodate 175+ participants.

To make this conference possible, we are applying for campus grants and asking for community support. We are expecting this conference to cost approximately \$5,000. Since we are just starting to plan and organize this event, we have approximately \$500 to start. We hope that you will be a part of this unique conference and consider contributing towards our event. We will recognize *all* sponsors and contributors in the program. For donations of \$500 or greater, your name/company logo will be printed on the conference shirts, which is provided to all attendees.

Please respond ASAP by phone/mail/email to become a supporter of our event! Thank you for your time and consideration.

If you have any additional questions, please contact the planning staff:

P.S. The 2004 Leadership Conference for Asian Pacifics (**FUSION: identity within a subdivided culture**) was honored as the “Most Outstanding Multicultural Program” at the 2005 All-Campus Leadership Awards at the University of Arizona. Held in November 2004, there were more than 150 attendees. Our 2006 LCAP (**REVOLUTION: Experience. Innovate. Alter**) was a great event and we had over 150 attendees for our banquet dinner with keynote speaker, Helen Zia (APA scholar, activist, journalist, and author of *Asian American Dreams: The Emergence of an American People*).
