Website: <http://www.alphaepsilondelta.com>

*President: Robert Kaufman (rkaufman@alphaepsilondelta.com)

- Pledge officer interviews for September were last names A-H. If you were supposed to have your interview done in September, contact an officer ASAP! In October, it's last names I-P. To schedule an interview, email an officer. Remember that you don't have to wait for your month, and can schedule interviews early.
- Get your requirements completed early, to avoid the end of semester rush
- Dania wasn't there, so Robert did the Survey Says. The questions were: (1) What is the one distinguishing factor that sets you apart from other medical school applicants? (2) What is your Halloween costume going to be?

Secretary: Rabia Ahmad (rabia@email.arizona.edu)

- Remember that requirements must be completed by November 28th. This is the last date to finish all points as well as pledge/officer interviews.
